

Lions Rescue Kidnapped Ethiopian Girl

A 12 year-old girl in Ethiopia was abducted and beaten by a group of men who planned to force her to marry an older man. The brave girl escaped into the countryside. The innocent girl was missing for an entire week. When she was found, three lions were guarding her.

"The lions guarded her until we found her and then they just left her like a gift and went back into the forest," a police officer said.

Wildlife experts believe she may have been protected because of the sound of her cries. The whimpering of a young girl may have resembled the sound of a young lion cub.

Which will you choose, to marry with an old man or to be with lions?
