

Man Runs Into Fire to Save His Game Machine

One day, a man was sleeping in his house. Suddenly, he woke up. His house was on fire! The fire was big, and there was a lot of smoke.

The man ran outside. He was safe. But then, he thought of something important. His game machine was still inside the house! He loved playing games very much. He wanted to save his game machine.

So, the man ran back into the burning house. It was very dangerous. There was a lot of smoke, and he could not see well. But he found his game machine and took it outside.

After that, some people helped him. They checked his health. He breathed in some smoke, but he was not badly hurt. The game machine was also safe.

People were surprised. They thought it was funny that he ran into the fire to save a game machine. But he loved his games so much.
